### Success Tip #4: Wake Up Sleepy Head, Lol

Well welcome back! You are with The Jackie Jackson and success strategies, alright? 19 success strategies to help you convert your purpose and passion into profit, and we are up to #4 - #4 of the success strategies. So #4 is get up early!

You heard me, Mhmmm. I said it. Get up early.

Alright, the most successful people get up early and they start their day in a positive mood and just doing rituals that actually convert into success. So get up early. Start your day and be happy. Get up with an attitude of gratitude. Get up and go workout. Get up and pray. Get up and go do something. Get up and meditate. Get up early.

Do not allow the day to go by without you getting up early, starting your day, on a positive note, on a positive foot. Get up early, get out of bed, and get into action. Alright, your purpose and your passion is waiting on you! Every single day, every single moment, every single microsecond that passes by is a moment that you should be thinking about pursuing or doing something that enriches your life and helps you convert your passion and your purpose into profit.

Alright, so that was success strategy #4. Get up early! Mhmmm. Don't be snoozing. I know you're snoozin', I see you snoozin'! Don't do it, get up!
